Fall is Upon Us

Even though the temperature outside tells a different tale, residents at [The Reutlinger Community](#) know that fall is just around the corner and they want to be ready! After an afternoon working hard on their projects, the results are nothing short of fantastic. While we wait for those temps to drop, these funny little scarecrows bring the season to us. Incredible job, The Reutlinger Community!

Magician Delights

Robert Vogel, comedian and magician, delighted both residents and staff of [Eskaton Monroe Lodge](#) with an out-of-this-world show this week while they enjoyed a little fresh air and cooler temperatures in their beautiful garden. Sometimes all it takes is conjuring a little magic to make the smiles appear. Our greatest thanks to Robert for making it happen!

Never Forget

Today marks 19 years since the September 11, 2001 attack. Our nation gathered in unity and resilience, and we have since rebuilt. Today and every day, we honor and remember the first responders and those we lost nineteen years ago.

[Honoring Grandparents](#)

Join Eskaton in celebrating [National Grandparents Day](#) this weekend on Sunday, September 13th. According to the National Grandparents Day Council, the purpose of Grandparents Day is "to honor grandparents, to give grandparents an opportunity to show love for their children's children, and to help children become aware of the strength, information, and guidance older people can offer."

We hope all of you have a special older adult to honor this weekend. If your own grandparents are no longer with us, considering "adopting" one for the year! The joy you bring them will return to you many times over. For more information about this special holiday, [click here](#).

[Meet Joyce](#)

Joyce is [O'Connor Woods](#)' very own "Rosie the Riveter." Nearly ten decades of hard work and love for her family has given Joyce a life to be most proud of. We couldn't be prouder ourselves to count her as one of our own.
